

COOL VIPER FR

The base version of the Cool Viper, specifically aimed at novices and occasional anglers who want to get the most out of the sport with a minimal investment. None of the important features of a quality reel have been sacrificed. The reel has three ball bearings while the run control function is impressively smooth. Beginner carp anglers in particular will appreciate the excellent price performance ratio and its modern image.

Code	Model	m/mm	Gear Ratio	Retrieve	Weight	Ball Bearings	Spare Spool
0251 030	Cool Viper FR 330	170/0.30	5.1:1	72 cm	271 g	3	0989 079
